

Ethan Adams

Tennessee Tech. University | Cookeville TN | 38505

(615)-956-1902 | adamsethan606@gmail.com

Objective

Hard-working & ambitious first-year university student looking for a part-time job during the school year to gain experience in working & professional environments. Will work nights & close on weekdays & all day on weekends.

Skills & Qualities

Teamwork	Communication	Fast Learner	Customer Service
Food Service	Problem Solving	Leadership	Integrity
Intensive Worker	Eager	Service w/ Smile	FOH & BOH Exp.

Past Employment

- **June 2023 – August 2024: Great Service Rep. | Teammate | Mission BBQ Murfreesboro**

I take orders, serve food, engage in enriching & wholesome customer service, collaborate with other teammates, & help prepare & close the food & restaurant at the beginning / end of the day.

*Working here over school breaks when visiting home

Past Projects

- **Senior Thesis: The “Bobber Drain”**

Throughout my Senior Year of high school, I created and published a paper for my senior thesis surrounding the research and development of my design for what I call the “Bobber Drain.” The drain is designed to measure water level in an irrigation levee without electrical components, draining water to an acceptable level during a flood. I came up with this design following research into the annual wet season in West Africa, in which hundreds of thousands of dollars’ worth of crops drown or are washed away, devastating the economy in the region. This earned me my 5 on the AP Research Exam, as well as Tennessee Legislature Recognition.

Experience

- **June 2020: Character Quest Kitchen Staff | Kitchen Staff | World Outreach Church**

I helped prepare, package, & distribute food to groups of kids & volunteers around campus. I also assisted as a Teen Counselor in my father’s Character Quest group once my duties were completed. I worked 8 hours/day in a food service environment & utilized customer service skills.

- **August 2020 – October 2022: Kidmo Teacher | Volunteer | World Outreach Church**

I assisted in mentoring & teaching 2nd & 3rd grade children at World Outreach Church's Kidmo program every Saturday. Additionally, I collaborated with other teachers to develop collaborative assignments & a unique experience during the period.

- **June 2021, 2022, 2023, & 2024: Character Quest Teen Counselor | Teen Counselor | World Outreach Church**

Each year, I assist Adult Counselors in keeping a group of 10-13 5th grade campers safe, leading the group from place to place, & keeping track of & interacting with the kids. During this period, I worked 8 hours/day, & utilized leadership skills such as mentoring, motivation, & character development.

- **October 2021 – April 2023: CEO Club VP | VP | Central Magnet CEO Club**
I assisted in directing meetings, gathering guest speakers (typically Murfreesboro business owners), collaborating with other officers to manage CEO, & welcoming new members into the CEO – a club which hosts monthly meetings to teach entrepreneurial skills to Central Magnet students.

- **October 2021 – May 2024: Magnetude Robotics Captain | Team Captain | Central Magnet Robotics**

I served as one of Central Magnet's Gold Robotics Team Leads, collaborating with teachers & peers to design & create a robot for each competition by the year's end. Additionally, I assist in adding to & organizing the team's Engineering / Design Notebook which documents the steps taken & ideas implemented for the robot. Additionally, I'm managing the business venture of designing, manufacturing, & selling products based around Central Magnet to provide passive income for our team.

- **October 2022 – August 2024: Cafe Team Associate | Volunteer | World Outreach Church**

I collaborate with team members to prepare & serve coffee & other beverages to World Outreach Church attendees every Saturday. In doing so we provide a positive customer service experience to enrich our pastor's sermons & overall help customers enjoy their time at church.

*Serving here over school breaks on Saturdays when visiting family

- **April 2023 – May 2024: CEO Club Pres. | Pres. | Central Magnet CEO Club**

I directed, managed, & maintained the Central Entrepreneurship Organization Club at Central Magnet. I worked with other officers to welcome new members, set up meetings, coordinate with guest speakers, & plan our club's annual, end-of-year Tiger Tank competition, all of which serves to educate students on entrepreneurship & business directory tactics for the future.

Extracurriculars

- **September 2019 – April 2024: Science Olympiad | Competitor & Captain | Blackman Middle & Central Magnet**

I competed annually in the respective Science Olympiad competitions since 2019, qualifying for state in the 2019, 2022, 2023, & 2024 competitions. I utilized creative problem-solving skills, collaboratively communicated, & used engineering & scientific knowledge to study for & complete challenging tests & labs.

- **August 2020 – present: Krav Maga | Orange Belt | Nashville Krav Maga**

I train in the Israeli martial art called Krav Maga. Class lessons are focused on self-defense & exercise, preparing students for real-world situations in which they may be forced to use physical methods to defend themselves & others. I am currently an Orange Belt – the 3rd Level one can achieve out of 6, not including the Black-Belt distinction – meaning that I have rigorously trained for three years at least & have completed a 7-hour test demonstrating my affinity with various combative & techniques.

- **September 2021 – May 2024: DECA | Competitor | Central Magnet**

I was a member of Central Magnet's DECA chapter, competing at annual conventions on the regional, state, & international levels. In DECA, I utilized communication skills & quick thinking to plot & communicate a plan based on a scenario introduced to me a swift ten minutes prior to a mock business presentation.

- **October 2021 – May 2024: Magnetude Robotics | Member & Team Captain | Central Magnet**

I was a member & leader in Central Magnet's robotics team, collaborating with various students, teachers, & experts in the field to prepare for & compete in intense & intellectually challenging competitions. In each competition, my team & I were pushed to effectively communicate & problem-solve to succeed as best we could at each & every competition we were a part of.

- **October 2021 – May 2024: Central Entrepreneurship Organization | VP & Pres | Central Magnet**

I was a part of the emerging Central Entrepreneurship Organization referred to in the "Experience" section, in which I partook in & organized meetings to enrich students' knowledge of the business world & to maximize success in starting one's own business.

- **September 2022 – May 2024: Beta Club | Member | Central Magnet**

I was a member of Central Magnet's Beta Club, participating in various service & community projects as well as the annual Beta Club Convention. Being a Beta Club member not only dictates that a student has a drive for their school & academics – having at least a 3.75 GPA – but also that a student has a drive to serve their community.

- **September 2022 – May 2024: National Honors Society | Member | Central Magnet**

I was a member of Central Magnet's National Honors Society, participating in various service & community projects & maintaining a GPA of above 3.

75. Being an NHS member not only dictates that a student has a drive for their school & academics but also that a student has a drive to serve their community & teachers.

- **September 2022 – May 2024: National Honors Society of High School Scholars | Member | NSHSS**

I was a member of the National Honors Society of High School Scholars, receiving a formal invitation to join due to my high grades and demonstrated drive throughout high school.

- **May 2024 – present: TN Tech Honors Student | Member | TN Tech Honors College**

I got accepted into the Tennessee Tech Honors program, demonstrating my academic excellence, drive, and motivation to succeed in my journey through adulthood at Tech.

Education

- High School Diploma: Central Magnet School, graduated May 2024
- University enrollment: TN Tech, projected graduation ~May 2027
- High School GPA of 3.89 with Honor Roll in Freshman & Sophomore year, & Principal's List in Junior year & Senior year.
